

Material Safety Data Sheet

May be used to comply with
OSHA's Hazard Communication Standard,

Occupational Safety and Health Administration
(Non-Mandatory Form)
Form Approved
OMB No. 1218-0072

IDENTITY <i>(As Used on Label and List)</i> Organica Australia Pty Ltd Ganixx-Bio Hi Amino Active ingredient: Amino acids, protien, Fish products. Animal by-products, Inert ingredients: Micro-organisms, Water, Emulsifiers. Total inert 1% Total 99%	
---	--

Section I

Manufacturer's Name: Organic Australia p/L	Emergency Telephone Number 0402856924
Address: 41-43 Marble Drive Kingston Q Australia 4114	Telephone Number for Information 0402856924
	Date Prepared July 2021

Section II - Physical/Chemical Characteristics

Boiling Point	N/a	Specific Gravity (H2O = 1)	1.05
Vapor Pressure (mm Hg.)	N/a	Melting Point	N/A

Vapor Density (AIR = 1)	Evaporation Rate (Butyl Acetate = 1)	·0.10
Solubility in Water 99% Complete in all Proportions		
Appearance and Odor Dark liquid slight odour.		

Section III - Fire and Explosion Hazard Data

Flash Point (Method Used) N/A	Flammable Limits Not tested	LEL N/A	UEL N/A
Extinguishing Media N/A			
Special Fire Fighting Procedures Non Flammable Self contained breathing apparatus.			
Fire and Explosion Hazard: The product is not flammable.			
Unusual Fire and Explosion Hazards NONE			
Hazardous Decomposition Products: Vapors, Carbon Dioxide, Carbon Monoxide			

Section IV - Reactivity Data

Stability: Stable			Conditions to Avoid:.. Do not ingest product.
--------------------------	--	--	---

Incompatibility: Bases and caustic compounds (alkaline compounds)			
Hazardous Decomposition or Byproducts None			
Hazardous Polymerization Will not occur.			Conditions to Avoid

Section V - Health Hazard Data

Route(s) of Entry:	Inhalation? Yes	Skin? YES	Ingestion? YES
Health Hazards: Contains non hazardous ingredients and is non-flammable and slightly corrosive.			
Carcinogenicity:	NTP? N/A	IARC Monographs? N/A	OSHA Regulated? N/A
Signs and Symptoms of Exposure			
Emergency and First Aid Procedures: Inhalation: Remove person to fresh air. Seek immediate medical assistance. Ingestion: Seek immediate medical attention, If individual is conscious and alert, immediately rinsing mouth			

with water and give water or milk to drink. If possible, do not leave individual unattended.
Skin: Immediately flush skin with plenty of water and soap for at least 5 minutes while removing contaminated clothing and shoes. Call a physician if deemed appropriate. Wash clothing before reuse and clean contaminated shoes.
Eyes: Immediately flush eyes gently with water for at least 5 minutes while holding eyelids apart. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If symptoms develop as a result of exposure, immediately move individual away from exposure and into fresh air before flushing as recommended above. Call a physician immediately.

Section VI - Precautions for Safe Handling and Use

Steps to Be Taken in Case Material is Released or Spilled: Cover the contaminated surface with sawdust or similar Mix and add water if necessary to form a slurry. Scoop up slurry and wash site with water . Proper cleaning procedures are essential. Trained personnel should conduct this procedure.
Waste Disposal Method: A leaking container may be placed in a plastic bag and normal disposal procedures followed.
Precautions to Be taken in Handling and Storing Avoid contact with eyes, skin or clothing. Keep container tightly closed and store in a cool, dry place.
Other Precautions N/A

Section VII - Control Measures

Respiratory Protection: usually not required. Wear a properly fitted half-face or full-face air purifying respirator which is approved for pesticides (NIOSH/MSHA IN U.S		
Ventilation: Product for outdoor use only.	Local Exhaust N/A	Special N/A

Protective Gloves: Wear Neoprene, Nitrile, or natural rubber gloves.	Eye Protection Wear goggles when handling the product
Other Protective Clothing or Equipment: Rubber apron is recommended when handling this product. Wear long sleeved shirt, long pants, socks and shoes.	

Section VIII - Special Precautions

Precautions to be taken in Handling and Storing: Keep container tightly closed when not in use. Store only in the original container in a cool, dry place.

The above information is believed to be correct, but does not purport to be all inclusive. This data should be used only as a guide in handling this material. Organica Australia P/L shall not be held liable for any damage resulting from handling or from direct contact with this product.
